ABOUT ANGELICA

Angelica Robles spent 20 years in federal investigations and interrogations — including two years undercover — before turning betrayal, burnout, and reinvention into a message audiences don't forget. Her international bestselling memoir, *Through These Brown Eyes*, anchors a speaking career built on radical honesty and healing. She is the creator of the ROBLES 4R™ Framework, a four-step path for rebuilding after life breaks you and the subject of her forthcoming book, *The Power of Forgiveness*. Featured in Forbes Vancouver, Vogue Athens, CEO Magazine Dubai, and The London Mag, she now teaches leaders how to rebuild trust and move forward after life breaks them.
